The same is true for Churches Seeking Ministers and Ministers Seeking Churches. You know to go to the familiar website, but you may not recognize what to do then because the process is now simpler.

Mission Opportunities

Rebuilding New Orleans

EDITOR'S NOTE: The following letter was written to CBF/GA by Elmo Winters, Faith Bible Ministries, Inc., on Tuesday July 12, 2006.

Dear Friends,

As most of you know our organization has been busy assisting the many victims of last year's hurricanes. Much has been done to help those who were displaced. We are now focusing on rebuilding New Orleans and believe the best way to do this is by rebuilding the churches. Starting this weekend several churches will be repaired along with the pastors' homes. We need your help in this endeavor. Maybe your church, company, or organization can come to New Orleans and work with us on this vital task. Pray and seek God's directions regarding this and let us know how you will assist us. Thank you in advance. See the attached flyer. You may wish to print it and post it where it can be viewed by others.

"Bags of Hope"

CBF of Louisiana gathers and delivers fully supplied book bags for distribution in East Carroll and Tensas parishes as part of Together for Hope. Last year LA churches gathered and distributed around 400 bags to students in the two parishes and made a significant impact in the lives of struggling families. They could easily distribute twice that many this year and still not fully meet the need.

New to Mercer?!

The Cooperative Student Fellowship (CSF) is a new organization at Mercer University this year. College is a very important time period for spiritual growth, and it is the goal of CSF to help students mature in all aspects of their relationship with God. If you know any students who will be attending Mercer University this fall and may be interested in being involved with CSF, please pass their contact information on to us so that we can contact them this summer. You can email their information, including email and mailing addresses, to dparnell@cbfga.org.

BTSR's School of Christian Ministry

The School of Christian Ministry is the continuing education division of Baptist Theological Seminary at Richmond. We provide a variety of interactive web-based ministry exploration and development courses for laity and clergy. We also offer on-site learning opportunities for those interested in a road trip. I invite you to visit our webpage, www.btsr.edu/scm, to see descriptions of our courses and workshops.
