Retreat Leadership: Bo and Gail Prosser

Bo and Gail Prosser are certified marriage enrichment leaders and have been leading marriage enrichment experiences for 30 years. Bo is a catalytic coach who helps people enjoy change and growth and has just recently left his position as Coordinator of the Ministries Division at CBF Global after 15 years. Gail is an educator, most recently having retired from her middle school computer skills position. Their presentations are filled with humor, and interaction. Their desire is to deepen intimacy, clarify vision, and heighten communication.

Bo's mission statement, "People go, where they know, they've been prepared for and are cared for," has become a mantra to many leaders. This sets the tone for their presentations and interactive experiences. You will laugh, communicate, and you will grow closer to one another.

A few spots are still open, and registration has been extended through July 15.

Register now at www.cbfga.org/marriage-retreat.

Doctors Needed for CBF Field Personnel

CBF Global is updating and expanding its resource and referral network of health care professionals. They are looking for professionals who are connected with CBF and might be willing to lend their expertise and support to our field personnel. Member Care is looking to create a list of providers to include mental health clinicians, physicians, pediatricians, developmental specialists, physical therapists, and a range of other specialists, who are willing to be available to provide second opinions, referrals, and professional advice to field personnel who may have difficulty accessing adequate medical care in their places of ministry. Most of these opinions, referrals and advice opportunities could be done over email or even tele-medicine if the provider is so equipped.

If you are a medical doctor, clinician, specialist or other possibly qualified professional and would like to participate in this good ministry of caring and healing, please contact Jody Long - jlong@cbfga.org - and he'll get you connected.
